

Fraser's Bloggo 2014

So, I checked my www and I was like OMG, it's almost a year since I blogged out!!

Apols to all you Fraser peeps... I'm like so amazed... can't believe it. Where has the time gone like?

Anyway, I need to update ya all on what's bin goin down in the crazy Fraser Fiddle world.

No surprises...I've been so sic... yeah, like fully sic... won't go into the deets about how many times I like 'parked the tiger on the rug', but fair to say it wasn't pretty.

Thankfully my dodgy eyeball stayed in place... LOL – how cool would that have been?.... chucking up and chasing my eyeball... OMG!

Did a few shows in the Japan earlier this year.... I think that's where I picked up the bug.

Got home and then..... yuck! Even had to cancel some shows in Deutschland. Still never mind, I so don't like their coffee. Tastes like ground coal with Bratwurst scrapings..... LOL

Last weekend me and ol Dunco performed at the Nat Celt Fest.... Gee, I was on fire. 2 peeps came up after the show and asked for my sig... I think one of them mistook me for the singer of Claymore....

Right, I'm so going to stop now.... No use starting something I have no intention of maintaining... (i.e. long blogs)

Stay cool this winter. (ha ha, I'm like sooo funny!)
